Dear Hiring Manager,

I am writing to express my sincere interest in the Intern position at Microsoft, as advertised. As a dedicated BTech student specializing in Computer Science and Engineering at Poornima Institute Of Engineering And Technology, I bring a dynamic blend of technical skills, innovation, and a passion for learning to your team.

Educational Excellence:

Currently pursuing my B.Tech in Computer Science and Engineering, I have consistently demonstrated my commitment to academic excellence. My education at Poornima Institute Of Engineering And Technology has equipped me with a strong foundation in computer science, providing me with the skills necessary to excel in the Intern role.

Awards, Achievements, and Participation:

I had the privilege of participating in various events, including the Poornima Hackathon at PIET Jaipur, AWS Community Day, and Udbhav Exhibition. Additionally, I completed an internship at Aerophantom, gaining practical experience and honing my skills in real-world scenarios.

Technical Skills:

Proficient in HTML & CSS, C, C++,Java and effective communication, I am well-prepared to contribute to your team's success. My skills extend beyond technical expertise, encompassing a commitment to teamwork, adaptability, and a knack for multitasking.

Personal Attributes:

I am known for my good communication and listening skills, coupled with being a hard worker with a strong determination and an adaptive nature. My leadership qualities and optimistic mindset contribute to a positive and collaborative work environment. I am versatile in my approach and thrive on challenges.

Hobbies and Personal Details:

In addition to my technical pursuits, I enjoy traveling and gaming. As a male Indian national born on September 16, 2006, with an address in Nahar Road Shukla Colony, Gangapur City, I bring a diverse and vibrant perspective to your team.

Enclosed with this letter is my resume, providing a comprehensive overview of my educational background, skills, and experiences. I am excited about the opportunity to contribute my technical flair and innovative mindset to Microsoft. Thank you for considering my application. I am eager to discuss how my skills align with the needs of your team.

Sincerely,

SHUBHAM GOYAL
